

up on 27 points and pipped us on differential points to win overall. Ironically we had beaten South Canterbury in 3 out of the 4 disciplines but still ended up 2nd. Star of the weekend was Yvonne McCutcheon who won every game she played in over the weekend. She won her 3 singles games and combined well with first year bowler Donna Callaghan from Clyde to win all the pairs games. Nikki Milne, Jo Stock and second year bowler Bec Street from Roxburgh all gave it their best and managed to secure 3 wins. Everybody enjoyed the event and all the players would have gained a lot from it. The selectors have Always used this event to blood new players into representative play and although not winning we were Pleased with our selections this year. It has been the selectors view that if we don't blood new players into Representative play the centre will struggle in future years. This event allows us to do that for the new Bowlers. Travel arrangements and accomm. were of a high standard so well done Pauline on your efforts. Special thanks to Rhonda who makes the weekend run smoothly and sweetens up the players.
