

Central Otago Umpires Association

January 2023 Report

Thank you to all our Umpires who have officiated at the Tournaments over the past month. Our Umpires are doing a great job and also undertaking the Tournament Secretary job when required. We are finding that the same Umpires are turning up at matches and it would be great to see some new faces on the green.

SOUTHERN 6:

We are currently looking for Markers to help with the Men's Southern 6 which Central Otago is hosting on 28 and 29 January 2023.

NATIONAL 4'S & MIXED PAIRS:

We are fortunate to have secured 20 Umpires from around NZ to help us between 23rd February and 2 March 2023. Michael Johnson (President Bowls NZ Umpires Assoc.) will be joining us for the first three days of the 4's. We shall be running a workshop on the afternoon of the 22nd February. We shall be doing some practical measures, particularly those measures which require help from a 2nd person. As well as this we shall be going over what will be expected of Umpires during the period and handing out new uniforms to those who require them.

MEETING 23 JANUARY 2023:

A General Meeting will be held on Monday 23 January 2023 at Clyde Bowling Club. We shall be allocating the remainder of the events for the 2022/23 season.

UMPIRES TOURNAMENT:

This will be held on Monday 27th March at Alexandra Bowling Club.

Pauline Seaton

President Central Otago Umpires Assoc.
