

WOMENS TOURNAMENT REPORT

The final Centre tournament of the year was the Arvida 1-5 yr Women's 2x4x2 pairs held on Sunday 14th December 2025 at A.D.C .

The weather gods smiled upon us and delivered a lovely warm day . 20 team's entered with a some very new bowlers (just a few weeks of playing) . Thank you to the clubs who encouraged them to enter, their nerves soon dissipated and hopefully they enjoyed themselves.

As is becoming quite normal this season lots of very close games and with only the top 4 teams qualifying it was important to score as many points as possible for each team, so making everyone fight hard to keep scores as close as possible.

The eventual winners were Tiri Connell (Alexandra) and Tania Holden (A.D.C)

Thanks to the A.D.C. Club for hosting and making sure everyone was looked after.

Regards Angela Wilson.(Woman's Tournament Secretary)
