

Men`s Tournament Report

The Arvida Country Club 1-5 years men`s singles attracted a record number of entries 34 as against 14 the previous year. We had to combine with the woman to fit them all on the greens available, Clyde and Alexandra hosting. The winner was Geoff Palmer (Arrowtown) from Sean Geary (Alexandra). The standard of bowls throughout the tournament was quite high, indicating the quality we have coming through for the future. With the increase in entries we may have to look at the format, many players winning 3 games and just missing out of the top 4.

Dunedin City Motors Alexandra pairs held at Alexandra Greens on 31/1- 1/2, 33 entries and again some quality bowls being played. The final was a close fought battle between Conner Muir and Dave Chisholm (Clyde) winning over Glen Mitchell and Richard Byrne (Cromwell).

Thanks to the sponsor`s and clubs /umpires for their help in running these events.
