## **2025-26 Season**

Welcome to the 2025/26 bowling season and once again it's shaping as an exciting and busy one.

Further changes have been made to Saturday pennants with a full round to now be played in Division 1 to determine the top 4. Division 2 has been split into two sections and again a full round will be played to provide a top 4. All finals: Premier, Division 1 and Division 2 will be played in Alexandra on Saturday, 28 February in what should be a great day. These changes have come from our member clubs as a result of player meetings and are fully supported by the Centre Board as we strive for excellence and, importantly, meaningful competitions.

Our new Board held a Strategic Planning session over the afternoon of July 14 and is excited about the upcoming season. We have placed a focus on supporting our 16 member clubs with a number of new initiatives. They include a Novice programme being staged pre-season over three Sundays and a seminar on Social Bowls and its benefits. Member clubs will receive communication from the Centre on these initiatives, and we respectfully request they are well advertised to all members.

At the elite level, the 2024/2025 season was very successful particularly for our Women and Development Men. With Terry Scott confirmed as our Senior Men's Coach we are looking to Terry to build on what Ric Hunt established over the past few seasons.

Central Otago Bowls has been a leader in introducing Bowls Hub and we encourage all member clubs and players to embrace it. Bowls Hub is not difficult and, typical of anything new, it is just a matter of getting used to it.

There will of course be challenges ahead of us and as always finance is one of these, at all levels. The Board will continue to look at how it can attract extra funding to support its initiatives on behalf of our member clubs and success at the elite level.

Finally, we wish our 16 member clubs, all players, coaches, officials and administrators the very best for the upcoming season. Let it be a season, where each and every one of us is focused on improvement be it on the green or helping out around the club. There is much to be gained if we are all prepared to pitch in.
