

Women's 1-5yr Singles. Sunday 18th January at Clyde.

Weather was kind to us. Delighted to report numbers were up from 18 last year to 24. We need to look at increasing to a two day event, as with so many entries it would be a fairer system to have a Qualifying day (3/4 wins) with a finals day as many were disappointed having won 3 games and still not getting in the final four.

Some excellent games however showing us that these ladies will be a force to be reckoned with in the future.

The winner was Tania Holden (A.D.C.) over Serena Carr (Bannochburn).

Southern Six. Sat/ Sun 24/25 January at Alexandra (open) and Clyde (development).

Somehow we managed the terrible forecasted weather with just a few minor showers.

Lots of good interactions on the greens, all being played in good spirits .

Dunedin taking out the overall title with wins in both open and development sections.

A huge thankyou to Ian Clouston who navigated doing draws, printing cards and imputing and finalising results. Been a very busy 3 weeks.

Interclub Sevens. Sat/Sun 31 Jan/1st Feb at Clyde.

Weather was lovely and warm.

We had eleven teams participating this year which required a 2 section draw . The top 2 teams in each section moving to semifinals then finals .

The final was between Wānaka Maude and Arrowtown with Wānaka coming out the winners.

Pauline had the responsibility of keeping everything running smoothly. Thank you to her as she had a couple of small difficulties to sort through.

Regards Angela
